WORLD HEALTH DAY CELEBRATION, 8TH APRIL 2019
Department of Community Medicine, HIMSR, JAMIA HAMDARD

The World Health Day is a global health awareness day celebrated every year on 7 April, under the sponsorship of the World Health Organization (WHO), as well as other related organizations.

Events are organized on this day related to a particular theme. Based on this year's theme, i.e. "Universal health coverage everyone everywhere", we, Department of Community Medicine, at HIMSR, celebrated this day, along with students from MBBS, interns and staff from the health centers.

A quiz programme was conducted in collaboration with IAPSM (Indian Association of Preventive and Social Medicine). After an initial MCQ elimination round conducted on 2.4.2019, where 79 students participated, 4 teams of 3 participants each were selected for the final round.

Final day was celebrated on 8th April, 2019. Ma'am Prof Rambha Pathak, HOD, Community Medicine put up a few words on the theme for this year. This was followed by a session of interaction and discussion of the faculties present along with the students.

Then the final quiz was conducted consisting of 5 rounds. After a tough and enthusiastic competition, winners of the team were declared. Madhur Tyagi, Nishat Ahsan and Faiza Kokab were declared as the winners. Jaypee Brothers sponsored the prizes for the winning team. The session ended with prize distribution and refreshment.
