HAMDARD INSTITUTE OF MEDICAL SCIENCES & RESEARCH (HIMSR)

Hamdard Institute of Medical Sciences & Research (HIMSR) at Hamdard Nagar in New Delhi is one of the finest self-financing unaided Private medical Institute in Delhi with infrastructure and faculty that support students to become outstanding medical professionals. It is a constituent unit of Jamia Hamdard. It was established in 2012 as an ambitious project of Hamdard National Foundation (HNF) aimed at furthering its scope in the life sciences and health domains and providing quality healthcare at an affordable cost.

HIMSR has been established as an institution of national importance with the objective to develop patterns of teaching in Undergraduate and Post-graduate Medical Education in all branches so as to demonstrate a high standard of Medical Education in India, to bring together in one place educational facilities of the highest order for the training of personnel in all important branches of health activity, and to attain self-sufficiency in Post-graduate Medical Education.

The institute is supported by 740 bedded teaching Hakeem Abdul Hameed Centenary (HAHC) Hospital. This is in conformity to National Medical Commission guidelines.

Hamdard Institute of Medical Sciences & family of institutions is the great leap forward in line with the vision of the founders of Hamdard and in fulfilling the dream of Hakeem Abdul Hameed to create an institute to cater to health education in general and providing affordable healthcare to suffering population living in the vicinity of the institution (South Delhi). It is in conformity with the philosophy of Hamdard "Compassion, Concern, Care and sharing in pain."

The Institute, over the years, has developed excellent organizational structure through its statutory and non-statutory authorities resulting in establishment of a well-regulated administrative machinery and achievement of excellence in academic functioning and medical research and providing excellent medical care to the patients. Just to give a glimpse of the services rendered by the hospital to the needy patients, nearly 521,000 patients were provided consultation and treatment in the outpatient departments in the year 2021. Out of these 72,000 patients were admitted as indoor patients.

The faculty of HIMSR is carefully selected by national level experts through an interview process ensuring excellent quality of the teachers. The teaching aids are contemporary, networked, interactive and upgradable. At HIMSR, great emphasis is put on conducting research and publishing scientific papers by the faculty. Regular up-gradation of professional knowledge is facilitated by regular clinical meetings, seminars, symposia etc.
