Department of Pediatrics

HIMSAR AND HAH CENTENARY HOSPITAL,

Delhi 110062

ELECTIVE 2

Name of block	Block 2
Name of elective	Normal Newborn care
Location of hospital lab or research	Department Of Pediatrics
facility	HIMSR and HAHC Hospital
Name of internal preceptor (s)	Dr. Neha Bansal & Dr. Sana Salim
	Khan
Name of external preceptor	NA
Learning objectives of elective	Awareness regarding breast feeding
	practices.
	Identification of common newborn
	problems and their management.
No of students that can be	4
accommodated in this elective	
Prerequisites for elective	Must have received necessary
	immunization(Hepatitis B and Covid-19)
List of activities of student participation	Awareness on the cultural beliefs and
	practices of breast feeding.
	2. Observe the correct technique of
	breast feeding and distinguish right from
	wrong techniques.
	3. Educate mothers on antenatal breast
	care and prepare mothers for lactation.
	4. Educate and counsel mothers for
	best practices in Breast feeding.
	5. Perform Postnatal assessment of
	newborn and mother, provide
	advice on breast feeding, weaning and
	on family planning.
	6. Explain the care of a normal neonate.
	7. Identify clinical features and
	management of Neonatal Hypothermia.

	8. Identify the clinical features and
	management of Neonatal
	hyperbilirubinemia.
	Identify features of clinical sepsis and
	learn the management of neonatal
	sepsis.
	10. Identify common complications and
	learn management of Low birth weight
	(preterm and Small for gestation)
	infants.
	11. Explain the follow up care for
	neonates including Breast Feeding,
	temperature maintenance,
	immunization, importance of growth
	monitoring and red flags signs to
	mother.
Learning resources	OP Ghai Essential Pediatrics 9th Edition
	IAP textbook of pediatric and neonatal
	emergencies
Portfolio entries required	Assignments provided
	Two worked up case records that have
	been presented
	Documentation of self -directed learning
	as summary and reflection.
Log book entry required	Satisfactory completion of posting by a
	preceptor with a "meets expectation 'M'
	grade"
Assessment	Attendance
	Formative: Participation in OP &IP
	rounds and team activities in
	Presentation of worked up cases,
	Documentation of attendance and
	required portfolio and log book entries
Other comments	

Assessment (Elective 1)

S.No	Name of Activity	Date	Attempt at activity First or Only (F) Repeat (R) Remedial (Re)	Rating Below (B) expectations Meets (M) expectations Exceeds (E) expectations Or Numerical Score	Decision of faculty Completed (C) Repeat (R) Remedial (Re)	Initial of faculty and date	Feedback Received Initial of learner
1	Participate in Inpatient rounds.						
2	Attend triage for critical patient.						
3	Attend and resuscitate in PICU.						
4	Present at least 2 cases that are fully worked up in the teaching session.						
5	Participate in patient education and multidisciplinary team meetings.						

6	Participate in			
	morbidity and			
	mortality meetings.			

Assessment (Elective 2)
