Subject: Important update regarding Seat Matrix for MBBS Admissions 2025-26

1. It has come to our attention that Hamdard Institute of Medical Sciences & Research (HIMSR) has been allotted zero seats in the seat matrix published by the Medical Counselling Committee (MCC) for the MBBS admission session 2025-26.
2. We would like to inform all stakeholders that this issue is linked to an ongoing contentious issue between Jamia Hamdard and HIMSR, which is currently sub-judice before the Hon'ble Court.
3. We are in active communication with the concerned authorities and the issue has been taken up on priority with Hon'able Court. We are making all efforts to remain an active participating institute for the current counselling phases of MCC. We are hopeful that it will get resolved and will be providing the updates as soon as any official response is received.
4. We would also like to assure, all currently enrolled students that HIMSR continues to be a recognized and accredited medical institution, and there is no impact on the status or functioning of the college.
5. We urge our students, parents, and well-wishers to remain calm and avoid speculation during this period.

Thank you for your patience and understanding.

Prof. (Dr.) Musharraf Husain
Dean/Principal
HIMSR & HAHCH Hospital
