# Hamdard Institute of Medical Sciences & Research (HIMSR)

## About HIMSR

Established in 2012 under the aegis of Jamia Hamdard, the Hamdard Institute of Medical Sciences and Research (HIMSR) has rapidly emerged as a premier institution for medical education and healthcare services in India. Located in the capital city of New Delhi, HIMSR combines the rich legacy of Hakim Abdul Hameed's vision for blending traditional and modern medical education, providing an ideal environment for nurturing future healthcare leaders.

Recognized by the National Medical Commission (NMC) and affiliated with Jamia Hamdard (a deemed-to-be university under the Ministry of Education, Government of India), HIMSR offers an MBBS program with an intake of 150 students annually, along with postgraduate programs in various specialties. The institution integrates cutting-edge academic learning with compassionate clinical care through its attached HAH Centenary Hospital, a 700+ bedded tertiary care facility.

HIMSR is consistently ranked among the top medical colleges in India by reputed national ranking bodies such as NIRF and India Today. The emphasis on ethical values, holistic care, and evidence-based medicine sets HIMSR apart as a centre of excellence.

The institute embodies the vision of, Jenab Abdul Mueed, illustrious son of founder of Hamdard aiming to provide quality healthcare at affordable costs while advancing the fields of life sciences and health.

## Academic Programs

### Undergraduate Courses:

- **MBBS (Bachelor of Medicine, Bachelor of Surgery):** A comprehensive program designed to equip students with foundational and clinical knowledge in medicine.

### Postgraduate Courses:

- **MD/MS Programs:** Specializations in various disciplines, including Anatomy, Biochemistry, Community Medicine, Dermatology, General Medicine, Microbiology, Obstetrics & Gynaecology, Ophthalmology, Orthopaedics, Pediatrics, Pathology, Pharmacology, Physiology, Psychiatry, Radiology, Respiratory Medicine, and Surgery.

### Allied Health Sciences:

- **M.Sc. Programs:** Advanced studies in Medical Anatomy, Biochemistry, Microbiology, Pharmacology, Physiology, and Public Health.

### Doctoral Programs:

- 

## Clinical Training and Facilities

HIMSR is attached to the Hakeem Abdul Hameed Centenary Hospital, a 710-bedded teaching hospital equipped with state-of-the-art facilities. This integration ensures that students receive hands-on clinical training, bridging theoretical knowledge with practical application.

### Key Facilities:

- **Central Skills Lab:** A modern facility designed to enhance students' clinical skills through simulations and practical exercises.
  - **Advanced Diagnostic Services:** Including state of the art imaging centers and laboratories, supporting both patient care and student learning.
  - **Library and E-Resources:** Access to a vast collection of medical literature and online databases to support academic pursuits.
- 

## Research and Innovation

HIMSR places a strong emphasis on research, encouraging students and faculty to engage in projects that contribute to medical science advancements. The institute has been involved in significant research initiatives, including clinical trials for vaccines and studies in traditional and integrative medicine.

---

## Why Choose HIMSR?

- **Academic Excellence:** Ranked among the top medical colleges in India, HIMSR is known for its rigorous academic programs and distinguished faculty.
  - **Integrated Clinical Exposure:** Early and continuous clinical exposure through its attached teaching hospital enhances practical learning.
  - **Research Opportunities:** Active involvement in research projects allows students to contribute to medical advancements.
  - **Holistic Development:** Emphasis on extracurricular activities, ethics, and community service fosters well-rounded medical professionals.

Embark on a journey of medical excellence with HIMSR, where education meets compassion, and innovation drives healthcare forward.

***Prof. (Dr.) Musharraf Husain,  
Dean/Principal  
HIMSR & HAH Centenary Hospital***

Hamdard Institute of Medical Sciences & Research (HIMSR) situated at Hamdard Nagar in New Delhi is one of the finest self-financing unaided Private medical Institute in Delhi with infrastructure and faculty that support students to become outstanding medical professionals. It is a constituent college of Jamia Hamdard. It was established in 2012 as an ambitious project of Hamdard National Foundation (HNF) aimed at furthering its scope in the life sciences and health domains and providing quality healthcare at an affordable cost.

HIMSR has been established as an institution of national importance with the objective to develop patterns of teaching in Undergraduate and Post-graduate Medical Education in all branches so as to demonstrate a high standard of Medical Education in India, to bring together in one place educational facilities of the highest order for the training of personnel in all important branches of health activity, and to attain self-sufficiency in Post-graduate Medical Education.

The institute is supported by 710 bedded teaching Hakeem Abdul Hameed Centenary Hospital (HAHCH). This is in conformity to National Medical Commission guidelines.

Hamdard Institute of Medical Sciences & family of institutions is the great leap forward in line with the vision of the founders of Hamdard and in fulfilling the dream of Hakeem Abdul Hameed to create an institute to cater to health education in general and providing affordable healthcare to suffering population living in the vicinity of the institution (South Delhi). It is in conformity with the philosophy of Hamdard "Compassion, Concern, Care and sharing of pain."

The Institute, over the Years, has developed excellent organizational structure through its statutory and non-statutory authorities resulting in establishment of a well-regulated administrative machinery and achievement of excellence in academic functioning and medical research and providing excellent medical care to the patients. Just to give a glimpse of the services rendered by the hospital to the needy patients, nearly 477800 patients were provided consultation and treatment in the outpatient departments in the year 2024-25. Out of these 44361 patients were admitted as indoor patients.

The faculty of HIMSR is carefully selected by national level experts through an interview process ensuring excellent quality of the teachers. The teaching aids are contemporary, networked, interactive and upgradable. At HIMSR, great emphasis is put on conducting research and publishing scientific papers by the faculty. Regular up-gradation of professional knowledge is facilitated by regular clinical meetings, seminars, symposia etc.
